Re: Transfer of Mined Land Reclamation Permit -
Reilly Tar and Chemical Corporation Wendover
Facility

Dear Mr. Hedberg:

Enclosed please find the estimate of reclamation cost prepared by Mr. Glenn Wadsworth of Reilly Tar and Chemical Corporation that we discussed yesterday. I would appreciate it if you could speak with Frank Filas of your office and let us know whether the estimate is acceptable to the Division. At that time we will file the additional materials required in connection with the permit transfer.

Please feel free to call me if you have any questions or comments. Thank you for your assistance in this matter.

Sincerely yours,

John W. Andrews
